All original manufacturers'names,part numbers and description are for reference purposes only and it doesn't imply that any Part listed is the product of these manufacturers.

MPCV Series Modular Hydraulic Operated Check Valve

ORDERING DETAILS

MPCV 02 W 20

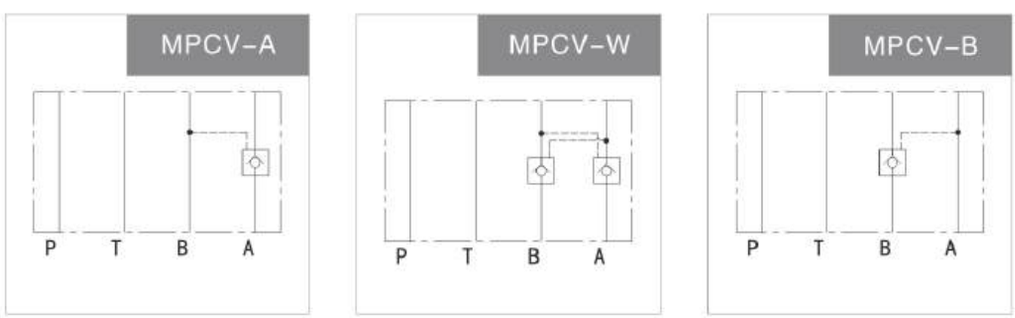

Series code
MPCV = Modular hydraulic operated check valve

Size
02 = 6 size
03 = 10 size

Function bore
W = bore A&B
A = bore A
B = bore B

Design code

SYMBOLE

TECHNICAL DATA

Hydraulic Data

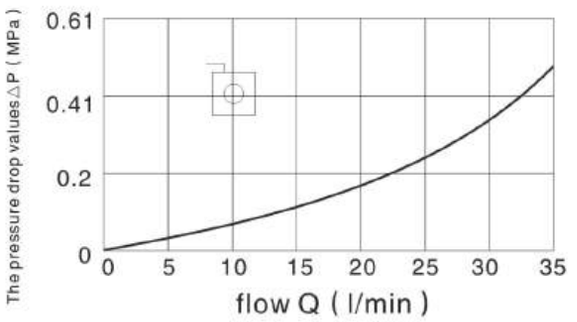

Model	Maximum pressure bar	Maximum flow L/min	Weight kg
MPCV-02	210	35	1.1
MPCV-03		70	2.8

All rights reserved by SMART HYDRAULICS.

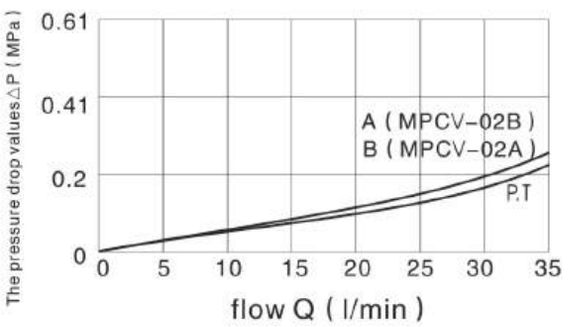

CHARACTERISTIC CURVE

MPCV-02

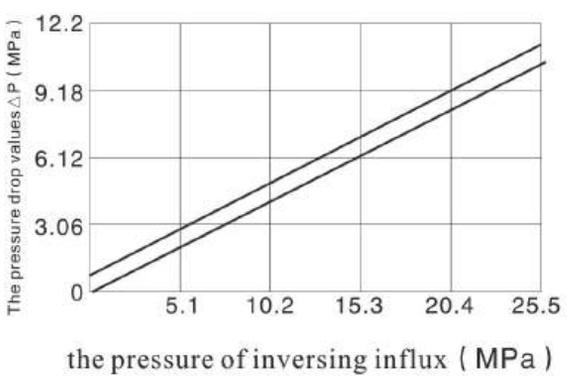

pressure drop characteristics of inversing free flow

pressure drop characteristics

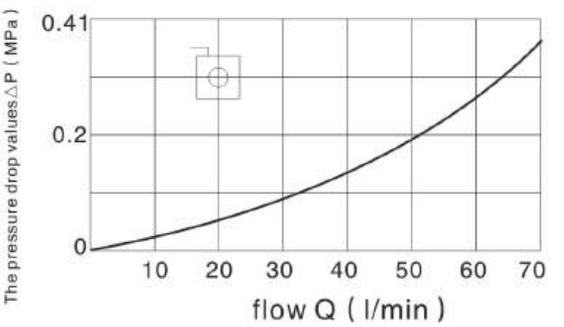

The characteristics of the minimum pilot pressure

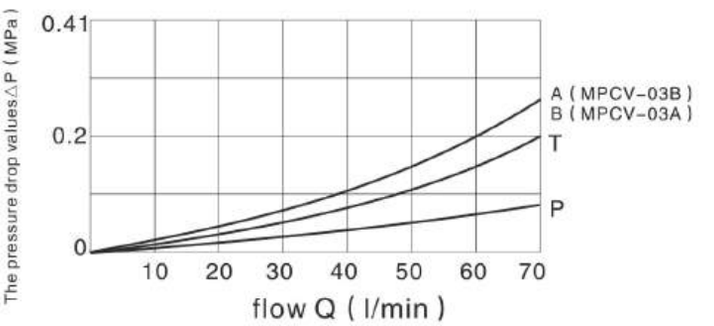

MPCV-03

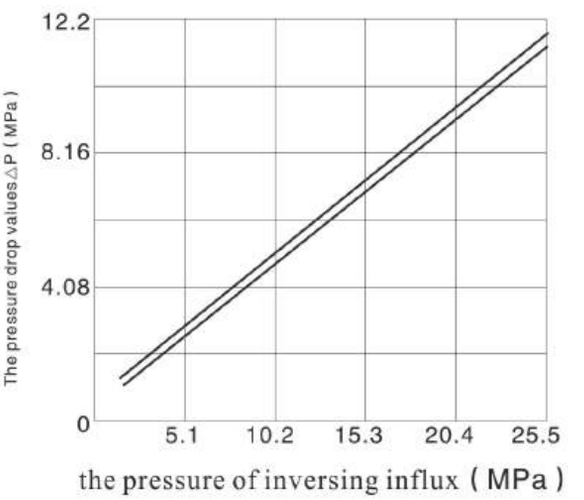

pressure drop characteristics of inversing free flow

pressure drop characteristics

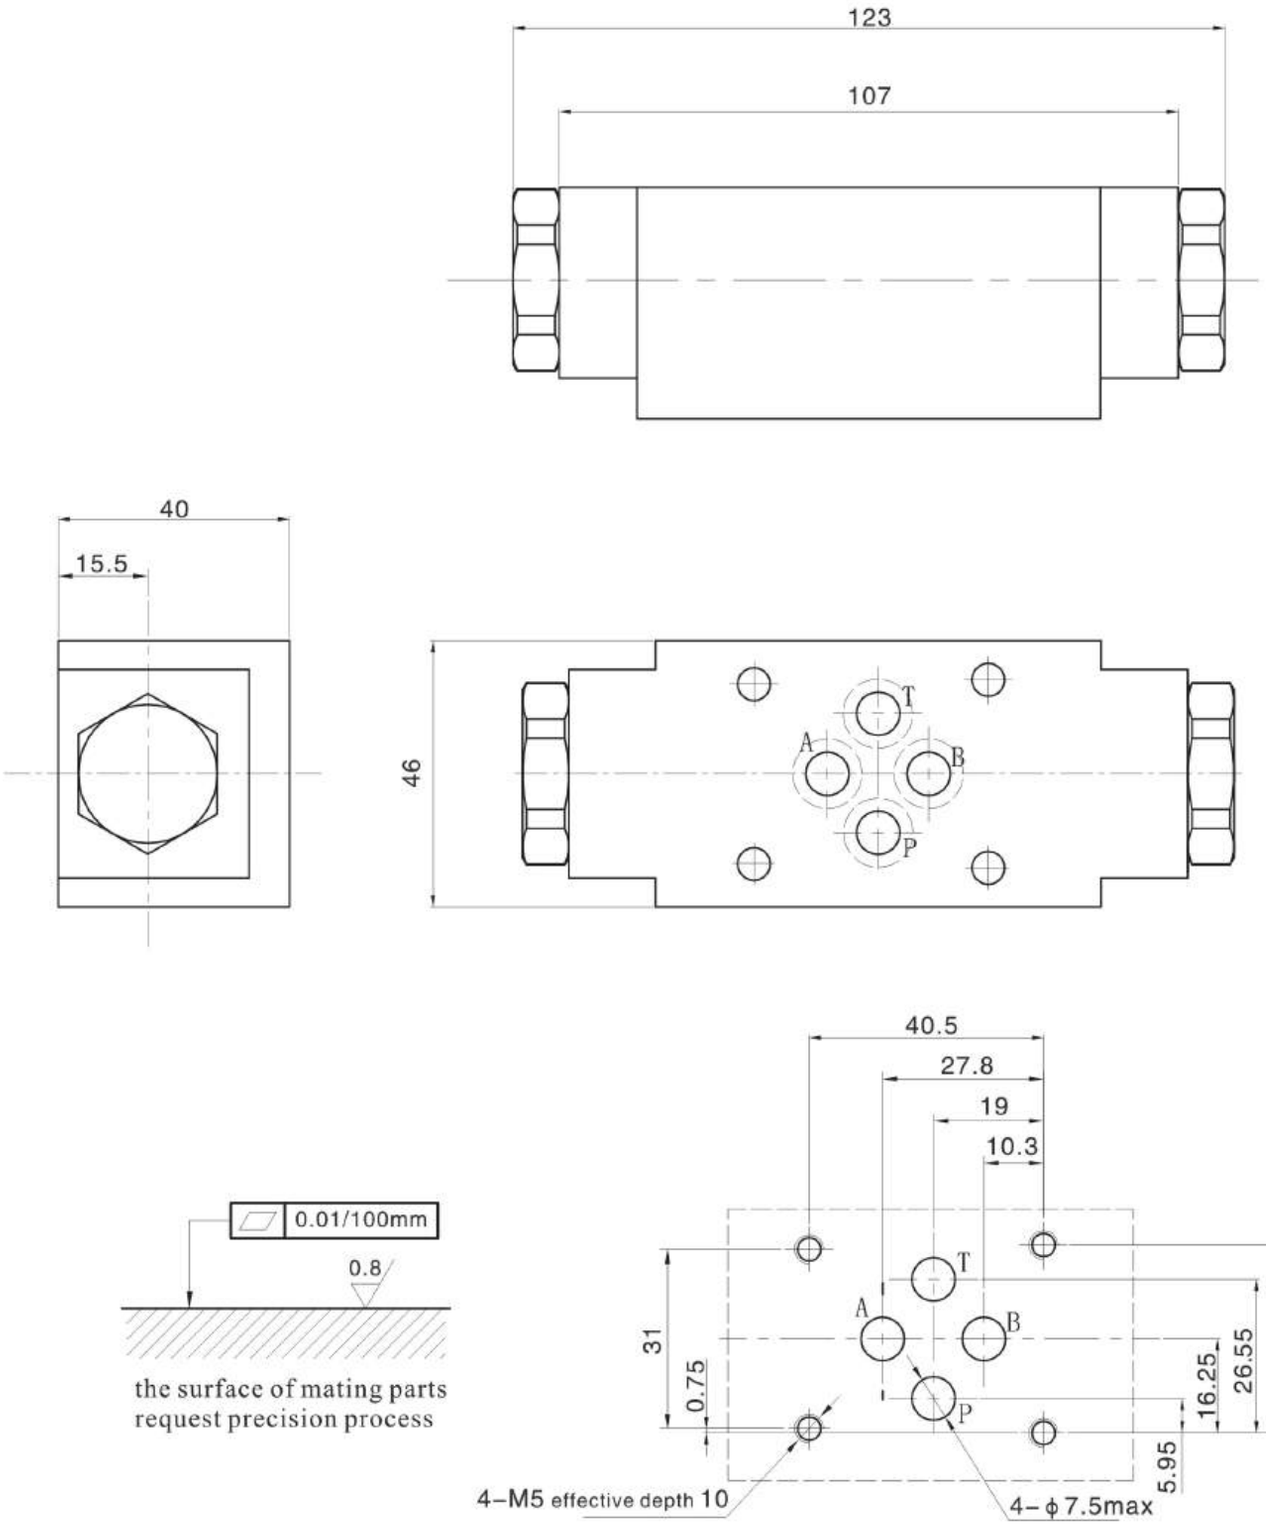

The characteristics of the minimum pilot pressure

UNIT DIMENSIONS

MPCV-02
